All Napoleon® Casual Furniture products have been manufactured to a very high standard utilizing the highest quality materials. Special attention is given to detail and design so as to resist North America's harsh environment. Frames are rust free, heavy gauge aluminum alloy construction and coated with a high grade UV resistant multi-stage powdercoat finish. Wickers are hand woven using UV stabilized "All Weather Synthetics" which are waterproof and very hard wearing. Cushions have high density foam and are covered with UV and stain protected polyester fabric – all ideal for outdoor use. Napoleon® Casual Collection offers a five year warranty on all aluminum frames & a one year warranty on powder coating, straps, textilene wicker and cushions.

The **STORY**

It all began in 1976 when a small steel fabrication business launched by Wolfgang Schroeter started manufacturing steel railings in Barrie, Ontario, Canada. At that time, no one could imagine the incredible future that lay ahead for Wolf Steel Ltd. and eventually Napoleon® Fireplaces, Napoleon® Gourmet Grills and now Napoleon® Casual Furniture. Since the first wood stove rolled off the production line over 30 years ago, Napoleon's commitment was to be distinctive and successful in everything they do. The demand for Napoleon® products grew beyond Ontario's borders to the rest of Canada, the United States, Europe, United Kingdom and Asia. Napoleon® is an ISO9001 – 2008 registered company and operates with 750,000+ square feet of manufacturing space and over 750 employees. They are North America's largest privately owned manufacturer of quality wood and gas fireplaces (inserts and stoves), gourmet gas and charcoal grills, HVAC, outdoor living products and waterfalls.
