NAPOLEON® EPI3T & EPI3C - EPA CERTIFIED FLUSH FRONT CAST IRON WOOD BURNING INSERT HIGHLY EFFICIENT, ENVIRONMENTALLY FRIENDLY AND ECONOMICAL

Barrie, ON., March 01, 2013 – Napoleon® adds to their wood burning collection with the new EPI3T & EPI3C wood burning inserts. The EPI3T has a traditional flush front with a cast iron surround and the EPI3C has a contemporary flush front with a cast iron surround in painted metallic black finish. The EPI3's give customers the option of a wood burning insert that will match any décor, whether it be traditional or contemporary.

Four stainless steel secondary air tubes supercharge the fuel burning process and generates a beautiful display of YELLOW DANCING FLAMES®. Complete with a removable painted black log retainer and a heat circulating blower, both the EPI3T & EPI3C are perfect heating solutions for your home or cottage.

The EPI3T & EPI3C are EPA certified and offer up to 55,000 BTU's with a firebox capacity of 1.8 cu. ft., heating up to 1,500 sq. ft. They feature the largest ceramic glass viewing area in the industry at 300 sq. in., a removable painted black log retainer and have a 6" flue collar which is adjustable to a 30° offset making them the perfect wood burning inserts for those wanting a clean burning, cost-effective heating source.

The EPI3T & EPI3C wood burning insert will be available at authorized Napoleon® dealers nationwide Spring 2013. For more information or to find a dealer nearest you, visit napoleonfireplaces.com.

About Wolf Steel Ltd.: It all began in 1976 when a small steel fabrication business launched by Wolfgang Schroeter started manufacturing steel railings in Barrie, Ontario, Canada. At that time, no one could imagine the incredible future that lay ahead for Wolf Steel Ltd. and eventually Napoleon® Fireplaces and Napoleon® Gourmet Grills. Since the first wood stove rolled off the production line over 35 years ago, Wolf Steel's commitment was to be distinctive and successful in everything they do. Napoleon's commitment to producing quality products combined with honest, reliable service has proven to be successful framework to ensuring the continued rapid growth of the company. Napoleon® is an ISO9001 - 2008 registered company and now operates with 750,000+ square feet of manufacturing space and employs over 700 associates. Napoleon® is North America's largest privately owned manufacturer of quality wood and gas fireplaces (inserts and stoves), gourmet gas and charcoal grills, outdoor living products, waterfalls and a complete line of Heating & Cooling equipment.
