NAPOLEON® S4 - CONTEMPORARY EPA WOOD BURNING STOVE WOOD BURNING TECHNOLOGY WITH A CLEAN, CONTEMPORARY LOOK

Barrie, ON., March 01, 2013 – Napoleon's S4 is a contemporary EPA approved, wood burning stove complete with a modern cast iron door and pedestal base in a metallic charcoal finish.

The S4 features a slide out ash drawer with a removable ash pan and lid for easy cleaning. The S4 also features a lever action door handle (with a removable handle shield) that remains in a convenient up position when the door is open making refueling the S4 safe and easy. The S4 is the perfect wood burning stove for those wanting wood burning technology but with a clean, contemporary look.

"Heating your home with a wood burning stove just got more convenient." states David Coulson, Napoleon's Corporate Advertising Manager. "Napoleon's S4 has many features like the slide out removable ash drawer and the lever action handle, making heating your home with a wood burning stove cleaner and easier." added Coulson.

The S4 is EPA approved and offers up to 70,000 BTU's with a firebox capacity of 2.25 cu. ft. that heats up to 2,000 sq. ft. and provides up to 9 hours of burn time. The S4 will fit logs up to 16" long.

The S4 wood burning insert will be available at authorized Napoleon® dealers nationwide March 2013. For more information or to find a dealer nearest you, visit napoleonfireplaces.com.

About Wolf Steel Ltd.: It all began in 1976 when a small steel fabrication business launched by Wolfgang Schroeter started manufacturing steel railings in Barrie, Ontario, Canada. At that time, no one could imagine the incredible future that lay ahead for Wolf Steel Ltd. and eventually Napoleon® Fireplaces and Napoleon® Gourmet Grills. Since the first wood stove rolled off the production line over 35 years ago, Wolf Steel's commitment was to be distinctive and successful in everything they do. Napoleon's commitment to producing quality products combined with honest, reliable service has proven to be successful framework to ensuring the continued rapid growth of the company. Napoleon® is an ISO9001 - 2008 registered company and now operates with 750,000+ square feet of manufacturing space and employs over 700 associates. Napoleon® is North America's largest privately owned manufacturer of quality wood and gas fireplaces (inserts and stoves), gourmet gas and charcoal grills, outdoor living products, waterfalls and a complete line of Heating & Cooling equipment.
