Napoleon® Exclusive Features

- Choose from corn, pellet or mixture of both for fuel selection
- Horizontal, high performance heat exchanger system designed for maximum heat transfer. Provides 18.4 sq. ft. of heating surface
- Combustion blower ensures the exact amount of air is supplied to the burner for complete combustion through the system to maximize heat transfer
- Top loading fuel feed system separates burn pot and fuel storage eliminating risk of burn back
- Rugged, commercial grade auger feeds the precise amount of biomass fuel
- Automatic fuel feed for your peace of mind
- Versatile, rear or top mount capability for exhaust flue and return air plenum designed to fit a variety of installation applications
- Large bottom front door provides easy access for servicing of burn pot or ash reservoir
- Optional secondary stand-by burn pot is available to eliminate down time when burn pot is removed for cleaning, simply clean and exchange at your leisure
- LCD display and touch button control system for fully automatic control
- Choice of Celsius or Fahrenheit temperature indicator

All sales are final for this extreme discounted price.

GL30E/GL24E/GL18E Gas Log Sets with Electronic Ignition

In today's demanding society, where life never seems to slow down, we crave the more simple pleasures that bring back relaxation, comfort and treasured times with family and friends.

Napoleon's gas log sets, now STANDARD with electronic ignition, offer the option of switching to a more contemporary river rock setting.

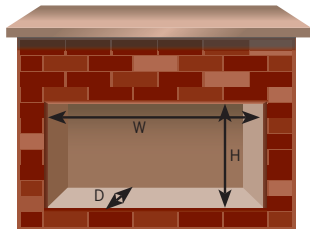

Whether you choose the FIBERGLOW™ logs or the river rocks Napoleon's log/rock sets create the ambiance your home deserves.

Napoleon® Exclusive Features

- Infrared heat radiates back into the room for additional heat
- Complete with solid cast iron andirons & grate, large charcoal embers and 5lbs lava rock/cinders
- 100% electronic ignition - no electricity required and no standing pilot

Napoleon® Options/Accessories

- Up to 65,000 BTU's (GL30E), 60,000 BTU's (GL24E) and 55,000 BTU's (GL18E)
- Controls are hidden but easy to access
- Natural gas or propane
- Optional river rock media kit switches out the logs to a more contemporary look
- Optional convenient remote controls (F45 & F60) and/or programmable timer available
