EFC32

Curved Wall Mount Electric Fireplace

An electric fireplace with a clean, crisp contemporary design and all the convenience of simply hanging, plugging it in and enjoying! The EFC32 features a sleek, curved bay glass front and a modern stone ember bed. The option of switching the stones to a decorative glass ember bed is available.

The EFC32 comes complete with a 110V heater featuring three settings and a convenient hand-held remote control that controls heat output and flame intensity.

The ultra thin design allows a minimal 6" protrusion from the wall. Perfect for creating the ultimate relaxing retreat in any room.

Napoleon® Exclusive Features

- Curved front glass provides a unique contemporary artwork design
- Stone ember bed can easily switch to optional glass embers in a variety of colours
- Sleek, thin design protrudes only 6" from wall
- Convenient on/off remote control that controls heat output and flame intensity comes standard

Napoleon® Options/Accessories

- Media and media enhancement kits of coloured glass are available

Installation

- Plugs into a standard 120V electrical outlet
- Easily hangs on the wall with a built-in bracket
- Suitable for bathrooms, bedrooms and bed sitting rooms

Line dimensions and measurements are to be used as a guide only. Please consult your installation manual for updated and precise measurements before proceeding to install or frame your Napoleon® Fireplace. Tested in Canada and the U.S. to CSA C22.2 46/ UL1278.

Right and Cover: EFC32 with standard stone ember bed

Features/Options/Accessories

Modern Stone Ember Bed

The standard white stones complement the contemporary design of the fireplace. Optional coloured and clear glass are available to switch out the river rocks for a sparkling, elegant effect (shown below).

Media Enhancement Kits

Available in amber, black, clear, blue and red.

Remote

Convenient on/off remote, controlling heat output and flame intensity, comes standard with the unit

Consult your owner's manual for complete installation instructions, accurate framing dimensions and proper clearances to combustible material. Check all local and national building code regulations. All specifications are subject to change without prior notice due to on-going product improvements. Products may not be exactly as shown. Napoleon® is a registered trademark of Wolf Steel Ltd.
