A PASSIONATE DEDICATION **TO GRILLING**

Napoleon®, a family owned Canadian company, has been providing home comfort for over 30 years. Napoleon® is committed to designing and manufacturing only the finest high efficiency grills, fireplaces and outdoor living products you can depend on. Superior technology, rock solid performance, balanced design and unparalleled customer service are the hallmark of the Napoleon® name. Your Napoleon® grill is designed to excel, offering a cooking experience as gratifying as the wonderful meals you'll create with it. Napoleon's ownership now reflects two generations of the Schroeter family's high standards of quality, performance and commitment to pursuing cutting edge design and providing consumers with true 'value' they expect for their investment. Each family member is involved in the day-to-day functions of all operations. The high degree of continuity and stability guaranteed by the Schroeter family, combined with an uncompromising customer focus, innovative strength and good branding, are responsible for this success. Many years of a passionate dedication to grilling keeps the Schroeter family focused on developing grills that you will be proud to have in your home.

ADVANCED EVEN HEAT TECHNOLOGY

THE ANATOMY OF THE PERFECT CHARCOAL GRILL 22.5" Diameter

Cool Touch Handle with protective heat shield

ACCU-PROBE™ temperature gauge and rust free air vent – temperature gauge is located closer to the cooking surface for accurate cooking temperatures. Air vent is perfectly located to regulate air-flow for delicious grilled results

Heavy gauge Platinum Porcelain lid and bowl – extra thick for oven like performance

Heavy gauge steel charcoal grate

Hinged cooking grids – Makes adding more charcoal fast and easy for indirect cooking

Built-in dual purpose lid hanger – Simply hang the lid from the bowl or a hook on a wall

Stainless steel heat diffuser – Directs heat from the charcoal throughout the bowl for optimum slow cooking and smoking, can be removed for high heat searing and grilling

Dual stainless steel vents – simultaneously opens all adjustable air ports for optimum cooking temperature accuracy. Visual control for precise settings

Removable high capacity, heavy steel ash catcher

Four stainless steel legs for increased stability

Weather proof wheels

Powder coated steel shelf for added storage space

Exterior Dimensions and Cooking area (in)		
38.5" h	22.5" w	27.75" d
2552 (squared) cooking area
