

Wednesday February 6, 2013

Napoleon Fireplaces is thrilled to introduce our new Electric Slimline Series – the Slimmest Electric Fireplace in the industry!

These electric fireplaces offer the convenience of simply hanging and plugging in to enjoy the clean, crisp, contemporary design.

Napoleon's Electric Slimline Series feature unmatched flame technology with realistic flame pattern and comfort control settings using the remote control included.

We have 6 new styles to choose from:

EFL32H, EFC32H, EFL48H, EFL60H, EFL72H and the EFL100.

Please note: The EFC32H and EFL100 are not currently available for shipment until April 2013, but you can place your order(s) now – the other sizes are ready for shipment today.

....AND YES..... THESE CAN BE INCLUDED IN THE BOOKING PROGRAM FOR ADDITIONAL SAVINGS!

Sincerely,

The Napoleon Sales Team
